FROM FLOWERS

(TOKUMA SHOTEN/chara comics)

Hi, everyone! ☆
As always, thank you for your support! This story was first issued in 2005 as an extra to "Flowers"...or should I say, a continuation of it. It basically details how things went on between Nanno and Ryou after the main story ended ..or something to that effect. Next time, I'd like to draw a story between the painter Orisaku-sensei and Nanno...hmm, I'll really have to try hard to get that next story out. Anyway, I hope I can see you all again in the next book! ☆
